34	31:30:00	69	51:34:00		
35	31:31:00	70	52:00:00		

Unfortunately for the 1st time in hundreds of races that RASAC has directed or timed, we have lost the name tags with the times/finishes. We sincerely apologize for this and for any inconvenience. Fortunately, we did have the times saved to memory in our official stop watch. If you know of your exact time and can give it to us, we may be able to put together some semblance of official results.

Thanks.

Brad Roberts, RASAC Timing/Finish Line Coordinator for Non-Club Races, broberts99@verizon.net
